

PRECISION CUTTER **SLICE-PC**

Blade Depth
1.5mm

Code: SLICE-PC

The ceramic blade in this precision paper knife lasts longer than steel and never needs sharpening. The padded blade housing provides comfort, especially during long and intricate cutting jobs. The cap fits flush, so there is no chance of it coming loose in your scrapbook tote. It artfully combines function and style with a distinct respect for ergonomics.

SLICE-PC Precision Cutter

- Safer than craft knives
- Ideal for intricate shapes
- Ceramic blade stays SHARP - never rusts
- For use by left- and right-handers
