T <sup>a</sup> Operating	De -20°C to +65°C

## PRODUCT DESCRIPTION

The Visual Alert System warns pedestrians and/or forklifts of risk situations by projecting a customised image on the ground. The 120w projector is suitable for warehouses or production plants with lots of lighting. The projector has the option to have 1 to 3 different colour lenses to project 1 to 3 colour symbols on the ground.

## EXAMPLES OF USES

This equipment should only be opened by qualified personnel. Handling or opening by unauthorized personnel may result in loss of warranty.
